Owned by Marrowstone Island Community Association (MICA)

A Non-Endowment Section Cemetery

Cemetery Policies and Rules

You must own property on Marrowstone Island in order to purchase use of Sound View cemetery plots.

Only plot usage purchasers, their spouse or partner, parents and children may be interred in Sound View cemetery.

After interment, all graves shall be marked by a permanent gravestone or metal marker installed flush with the ground surface, within ninety (90) days, depending upon availability.

No plants, trees, shrubs, flowers or other vegetation, may be planted on plots.

Sound View Cemetery shall be the only option to repurchase plots for the same dollar amount for which it was originally purchased.

One casket and one(1) or two(2) urns; OR four (4) urns may be interred per plot. One or two gravestones.

Burial of a casket and placement of a gravestone shall only be performed by qualified mortuary services.

Cemetery Committee permission must be obtained prior to burial of a casket, an urn, installation of a gravestone or marker, or installation of a flush type cut flower receptacle.
